## IKF DISCIPLINARY PROCEDURES – CHANGES

**October 30, 2021**

The IKF Council proposed changes to the Disciplinary Procedures to allow necessary sanctions related to covid-19 pandemic measures.

Therefore, the following changes in the Disciplinary Procedures were approved by the General Meeting:

<b>Article</b>	<b><i>New text applicable from October 30, 2021</i></b>
9.1 (h)  (New)	The exclusion of a player/team member or a team from participation in an event or the remaining period of an event, including a ban from the event venues also as spectators;

As a consequence of the new Articles above, the current Articles 9.1 (h)-(j) shall be renumbered to Article 9.1 (i)-(k)

Note: Due to official events in October 2021 already taking place under the Covid Regulations, the IKF Council has, given the exceptional circumstances, approved this change in the Disciplinary Procedures to already be in force as of 1 October 2021, and until formal approval by the General Meeting.
