

World Korfball Update - 2022 - edition V

The indoor korfball season is ending in many European countries, which meant lots of exciting, high-level finals. Players might take a short break from club training sessions in these countries, but the national teams will have lots of reasons to keep working hard. The World Games are another month closer, and we also have news on the Asia-Oceania and All-Africa Korfball Championships. No one will miss out! If you're up for a challenge yourself, test your knowledge of korfball rules in this edition of the newsletter. Enjoy reading!

The World Anti-Doping Agency has published the 2021 Code of Compliance Annual Report. The report outlines the achievements and challenges of WADA's Code Compliance Monitoring Program, measuring objectives against key performance indicators through quantitative and qualitative analysis. Thereby, the goal is to identify opportunities for continual
