

Jury Members: Function and global tasks description

Purpose of the function

The jury member is responsible for the proper functioning of the jury table as well as the supervision of compliance with the rules and regulations applicable to the competition (protocol). This is done by:

- Monitoring all administrative tasks and matters related to a korfball match.
- Directly entering all important data online such as (composition of) teams, players, scores etc. by using a PC.
- Monitoring the correct execution of the duties and function of the shot clock operator and timekeeper.
- Optimally supporting the referee(s) before, during and after the match.

Tasks of the jury

The duty of a jury member is to complete all administrative matters concerning the competition and to fulfill the following tasks:

1. Checking the measures before the start of the korfball match
 - Issuing match forms to relevant teams.
 - Timely presence of the right timers, scoreboard and the shot clock.
2. Control match forms
 - The jury is to receive at least 30 minutes before the start of the match the fully completed competition forms and start positions of both teams in the format as drawn up by the IKF without any deletions or corrections.

- Immediately after the reception of both forms regarding the initial set-up, the jury makes it available for inspection by the coaches and, if present, the announcer and/ or statistician by copy.
- The jury has to check and fill in the names and corresponding numbers of all players into the online score system.
- The jury has to check the specified starting position prior to the start of the match basis on the match forms

3. Control activities during the competition

- Supervises correct operation of the timer, scoreboard and the shot clock.
- Receiving coach's requests for time-outs and players substitutions during the match.
- After approval showing a sign for time out or substitution to the referee(s) (accompanied by buzzer after a whistle).
- For players substitutions the substitution card must be used.
- Checks the specified starting position prior to the start of the match of a new playing period based on the end of the previous period.
- In the event of doubt or wrongdoing at the jury table, the responsible member of the jury reports this immediately to the referee (s), for example by use of the buzzer. The referee decides on the possible, definitive recovery of these errors.

4. Control of activities after the competition

- The jury is responsible for the direct handling of the competition formalities with the referee and both captains.
